--- Call Setup ---

JASON

0:01 Good afternoon. Can electric, how may I direct your call?

LOGAN

0:04 Hey, this is Logan. I was calling for Jason.

JASON

0:09 See if he's back here. Give me just.

LOGAN

0:12 Okay. Thanks.

JASON

0:20 One of the many services that we provide is an info red scan to detect hot spots to prevent equipment failure, outages, damage or even buyer to schedule your end for red scan call, four, five, six, eight, six, two, nine, no, or visit our website at WWW dot Dane & Assoc Electric, dotcom and click on the service tab to submit a service call request.

JASON

0:50 According to the national retail database... there's Jason.

LOGAN

0:55 Hey, Jason. This is Logan from service trade. How have you been?

JASON

0:59 I'm doing well. Hey, I'm really busy right now and we just so you know, we have, we've chosen BuildOps.

LOGAN

1:00 Good.

LOGAN

1:04 Gotcha.

LOGAN

1:09 Okay.

JASON

1:10 So, we've we would just automating with them. So it just seem to be a better fit for us. So, okay. Thanks, Logan. You too. Bye bye.

LOGAN

1:15 Gotcha.

LOGAN

1:18 Okay. Yeah. No worries. Man. All right. You have a good one. Yep bye.

*The End*
