CRAIG

0:02 Hello?

MCKENNA

0:03 Hi, is this Craig?

CRAIG

0:06 Hi, is this? I can get him off?

MCKENNA

0:07 This is McKenna. Nope. Sorry.

CRAIG

0:10 Yeah, I can get into this.

MCKENNA

0:12 This is McKenna Nelson with service trade.

CRAIG

0:17 Hey, how are you?

MCKENNA

0:18 Good. How are you?

CRAIG

0:20 Good. This is Craig. I guess somebody called you. Don't know who it is. Sorry?

MCKENNA

0:24 That's fine. No worries. I didn't know. I thought this was the number for your office, so, I... I don't know what I was calling but, yeah, this is McKenna with service trade. We talked with you a couple of years ago about our service management software. Does that ring a bell?

CRAIG

0:40 Yeah, we, I don't wanna waste your time. We literally just swap the BuildOps. We spent about six months swapping over, so.

MCKENNA

0:49 Okay. How's that going for you guys?

CRAIG

0:52 We've only had it for about three weeks, but it's going good so far, nice.

MCKENNA

0:56 Okay. Alright. Well, I hope everything continues to go well, and we will, we'll follow up after a while and see how things are going.

CRAIG

1:04 Okay. Thank you. Have a good day. Bye.

MCKENNA

1:05 Thank you... you too. Bye.

The End
