0:00 Parts in southeast?

MIKE

0:01 Yeah. Hey, this is Mike Thomas. Is Chris available?

GARY

0:07 Yeah, Mike, what company you're with?

MIKE

0:09 I'm calling from service trade.

GARY

0:12 And what do y'all do?

MIKE

0:13 So, we're a field management software. I know you guys just started build up. So, I was just kinda calling to see how implementation went. If, you know, there were any hang ups, stuff like that?

GARY

0:25 You're talking about the different Chris? Yeah, he's actually out of the office right now. Can I give him a message?

MIKE

0:30 Yeah. Yeah. Sure. I was looking for Chris here. Is that the one on I need to talk to?

GARY

0:34 Well, there's two here. There's a father and son. You're probably looking for the younger one who's in charge of the BuildOps?

MIKE

0:38 Okay. Yeah, sure. Then if you just let them know I called and yeah, I do. Does he have an email by chance? I don't know why I don't have it written down here.

GARY

0:50 He has one, but I don't give it out. You want me to leave a phone number?

MIKE

0:52 That's fine. Do you guys have like, yeah, do you, I didn't know if you guys have like a general info email or that either?

GARY

0:59 No.

MIKE

1:00 Okay. Yeah. Then just leave my phone number form. It's a three.

GARY

GARY

1:05 Say it again.

MIKE
