--- Call Setup ---

GREG

0:00 Good morning. Thank you for calling to you.

BRENTON

0:12 Hey, this is Brenton. How are you doing this morning?

GREG

0:19 Okay. How are you?

BRENTON

0:20 Good, good. It's almost Friday, almost thanksgiving, but I was looking to speak with Greg. Is he in?

GREG

0:24 All right.

GREG

0:29 He is not in today. Is there a message I can get him for you?

BRENTON

0:34 Well, I was, I have been speaking with Greg in the past regarding some software over there, classic back. So I just wanted to see, I.

BRENTON

0:44 Know, I was talking with him. Is there anyone else that I could potentially speak with that you might know?

GREG

0:49 Now he's actually the one that makes the decisions about all of that, and we have a new program.

GREG

0:58 We have a new program. We actually are starting at the beginning of the year, so he's probably not interested, to be quite honest.

BRENTON

1:02 Okay.

BRENTON

1:05 Okay. What, what program is you guys end up going?

GREG

1:09 We are going with BuildOps.

BRENTON

1:13 BuildOps. Okay. All right. Perfect. Well, thank you for that information. All right... you too.

GREG

1:18 Sure. You have a good holiday. Thanks. Bye bye.

The End
