--- Call Setup ---

MIKE

0:00 Hello, it is. Mike.

EUGENE

0:01 Yeah. Hi. I just got a phone call from this number.

MIKE

0:04 Yeah. Hey, this is Mike from service trade. Is this Eugene?

EUGENE

0:08 Yes, it's Mike from where.

MIKE

0:11 Service trade. I'm sorry to bad. Do you have just a quick minute?

EUGENE

0:15 Yeah, I do want.

MIKE

0:17 Yeah. So, I wanted to catch up with you. You actually spoke with a coworker and good friend of mine. Susan back in like February earlier this year, I knew you were going through some BS with BuildOps, and I was just kinda checking in to see if all that cleared up and what, you know, what your current situation was with them.

EUGENE

0:35 Yeah. Now we're using BuildOps, they fixed everything, they help to their word. They got everything done. They got everything fixed. They got everything deployed. So we're good.

MIKE

0:45 All right, great. I'm glad to hear that, Eugene, you know, I never wanna wish anything bad on anybody. Obviously, they're you know, like our competition, but I'm happy that everything's smooth sailing for you. And if anything comes up in the

future and you wanna take a look at service trade, you know where to reach us. All right, man. I appreciate you taking my call.

EUGENE

1:00 Absolutely. You got it, sir. Thank you.

MIKE

1:03 You have a great day, Eugene. Thank you.
